

DONATION DRIVE - DE VARGAS HSC

WHAT DO DONATIONS FUND?

Normally, HSC helps pay for expanded music and art programs, Maker Space activities, P.E. equipment, Library and Project Cornerstone programs.

THIS YEAR IS DIFFERENT!

In collaboration with our principal, we are finding the most effective ways to support our teachers and students during Distance Learning.

- Reimbursing teachers for **non-standard classroom supplies** and providing grants for programs that teachers request to benefit their students.
- Supplementing and replacing classroom and library **reading materials** with books for students to keep at home.
- Preparing for when students return to school and more support for other supplies and programs is needed.

HOW YOU CAN HELP:
